From the Desk of the Chairman

By Paulo Coimbra

Warm greetings to all our members. Wow!!

Our first newsletter, an indication of new and exciting things to come.

A heartfelt thank you to the interim committee who took us through to our AGM and prize giving.

It was a wonderful sight to watch families and their children having loads of fun. To our members this would not have been possible without you - THANK YOU.

A warm welcome and thanks to our new committee who have already had their first meeting. Thank you for volunteering of your free time and committed interest in steering Bonaero '74 AFC into what we hope is greener pastures.

None of the committee's hard work will be achieved without the support of our members.

I encourage you all to please come forward with any ideas no matter how big or small as we have an open-door policy.

Whilst our junior season has finished, we look forward to a successful Ladies and Vets Season which has already kicked off.

A special thanks goes out to our coaches who give of their time freely to develop and mentor our champs.

I wish you all a healthy and blessed time as you go through your day to day.

In parting I leave you with a quote by Johan Cruyff, until next time.

"It's like everything in football- and life. You need to look, you need to think, You need to move, you need to find space, You need to help others. It's very simple in the end."

What a great day! Not even the showers from the heavens put a damper on it. Yes, the speeches took forever .. LOL!! but our kids are so worth it.

We would like to thank the interim committee for getting us to this very successful AGM, Prize Giving and 'Elections'. It was no small feat, but they were amazing.

Thanks goes to: Donovan Naidoo, Tyron Sykes, Madaese Makhubela, Christa Bowls, Rachel Govender and Darron Hendrickse and everyone else that assisted behind the scenes. (Anina Hendrickse, Katu Valente). Your contribution does not go unnoticed.

*Madaese Makhubela taking us through the AGM report

* Jose Monterio and his U9 team

We have sponsors that came on board and really supported our club during the interim period and our prize giving. A heartfelt thanks goes out to Genesis, Propcrew, Beautiful Biltong, Discovery Resolute, BDJ Freight & Milton French.

* U9 Coaches Gary Aldridge and Justin du Preez

A request to Potential Sponsors

Dear Potential Sponsor

At B74AFC there's nothing more important than fostering our local sports teams. Teams like us provide individuals of all ages a safe place to get physically active and make connections with their peers.

However, as an NPO, we wouldn't be able to keep serving our club of young people without important partners like you.

Would you/your company be interested in serving as an official sponsor?

In return, B74AFC would feature your company as our/one of our sponsor/s on our premises, at tournaments, our newsletters, and social media.

This would help your company gain exposure among B74AFC parents as well as other parents, individuals and organisations visiting our club, Facebook, or Website.

B74AFC would be happy to start a partnership at any level!

If you/your company are excited by this opportunity and to find out how you can help or what our immediate needs are, please contact our Social Rep - Anina Hendrickse (0824078220).

We eagerly await your response.

Sincerely,
B74AFC Committee
